

REALationships

Part 2: Life as a Neighbor

Sermon Questions for 4/15/18

Opener

How have you seen someone “show up” and be a neighbor to you?
Have you seen it in anyone else?

Read

Luke 10:25-37; Leviticus 19:18; Leviticus 23:22

Engage with God in your Group

- What makes living life as a neighbor harder than you would like?
- You’ve likely been tempted to keep your head down and blinders up in situations around you. What are the scenarios for you that just feel too big, too messy, too inconvenient. . .?
- We’ve heard the statement, “Don’t tell me you love me. Show me you love me.” How did the Samaritan show love? Where did the Priest and Levite miss?
- The result of the Samaritan showing up restored life for the man. Where have you seen God restore life by showing up?
- Try to put yourself into this story. Who would best represent you at this point in your life? Why? (Lawyer, mugged man, Priest, Levite, Samaritan)

Bottom Line: Jesus shows best through us when we “show up.”

Prayer for this week

Jesus, there are a lot of reasons for me not to show up as a neighbor. Would you help me call to mind all the reasons that I can show up and the life it can bring.
