Bigger Than _____

Sermon Questions for 8/2/18

Opener

When was a time that something had you so stressed out that you couldn't sleep, eat, or think about anything else?

Read

Genesis 1:26-3:19, Matthew 6:25-34, Philippians 4:5-6

Engage with God in your Group

- Who or what is the most important thing in your life? Be honest. Why?
- If you were totally honest and felt free of judgment, what would you say keeps Jesus and His Kingdom from being the most important aspect of your life?
- Whether we feel like we are valued or not makes a big difference in our lives. It can cause us to trust or to chase. When we feel valued by God, we tend to rest in His provision. When we lack a feeling of value, we chase after things to add "value" to our lives. Are you chasing anything?
- What helps you to know that you are valued by God? What tends to be a roadblock for you to trust in His value of you?
- What does it mean that God has made you in His image? (Gen.1:26-27)
- How has God has proven Himself trustworthy in your life.

Bottom Line: The most important thing in your life will cause you peace or will cause you fear and anxiety. God is bigger than our fear and anxiety.

Prayer for this week: Jesus, let me see me like you see me. And let me trust that you care about me, my life, and my situation more than I do. You are Bigger.
